Bought Property.

Faulkner and Lanham yesterday sold 160 acres of land near the Hortenstein place 10 miles south to Dr. T. E. Presley of Enid, Oklahoma. The land is unimproved and was bought from James E. Hart. Dr. Presley will likely locate in the Valley. He went to Artesia last evening to look at property.

Found a Flock of Sheep.

"Little Bopeep had lost her sheep, etc. This time it is about three hundred more or less stray ewes and lambs that are without their little Bopeep. They were found yesterday on eight mile draw by Bernardo Carmona, or one of his eleven children, and he brought them to Spring Branch. They are branded with a red dot, and when found were without a shepherd. Senor Carmona notified Sheriff Higgins of the find, and the sheriff instructed him to come to the Record office and advertise the sheep. Carmona will take the flock back to the draw where he found them. The owner of the flock can get them by calling on Carmona and paying him for his trouble, describing the property and paying for this advertisement.

Triumphs of Modern Surgery.

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, bruises, burns and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries, causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by all druggists.

If you desire to exchange for Southern California property, send full description of what you have, price, location, etc., and if you are prepared to add some cash difference you can get good trade. Address E. L. Wildy, 206, Grant Bldg., Los Angeles, California.

Chamberlain's Stomach and Liver Tablets Better Than a Doctor's Prescription.

Mrs. J. W. Turner, of Truhart, Va., says that Chamberlain's Stomach and Liver Tablets did him much more good than anything he could get from the doctor. If any physician in this country was able to compound a medicine that would produce such gratifying results in cases of stomach troubles, biliousness or constipation, his whole time would be used in preparing this one medicine. For sale by all druggists.

Land For Sale.

The Felix Land & Cattle Co.,

Offers to sell to actual settlers about 1500 acres of the FINEST IRRIGATED LAND IN THE PECOS VALLEY. PRICES LOW. TERMS EASY. Going with the land is a perpetual water right from the Northern Canal. It is also in the Artesian Belt. We have refused to put this choice land into the hands of speculators. We give all purchasers the advantage of bed rock prices. The land speaks for itself. Go and see it. Last year we sold 2500 acres to good farmers who are now cultivating it. About 1000 acres of apple orchards are being planted this spring. More land is being brought under cultivation and other improvements made in the Hagerman-Felix district than in all the Upper Valley. On account of its SOLID MERIT this is the most progressive farming spot in New Mexico. Inquire at the office of the company at South Spring Ranch or of the following.
